School is In Session! Registration Now Open For Training Classes

Could your pup benefit from some training? The Parc is pleased to announce we've hired Trainer Thomas Varuolo - formerly one of Petco's top California trainers. He will be offering a foundation obedience class as well as individual training sessions. All training will be positive reinforcement and redirection based.

Foundation Obedience will include beneficial commands such as come, look, sit, and down as well as loose leash walking and useful information on issues such as dog handling and crate training. This group class will consist of six 1-hour sessions for a cost of \$150 on Thursdays from 6:30pm - 7:30pm. We require the same adult owner to be present to work with the dog for all 6 sessions. Upon completion, participants will receive a graduation "diploma" and a gift certificate from The Parc.

Class dates are as follows: February 21, February 28, March 7, March 14, (NO class March 21 - due to spring break), March 28, Graduation April 4.

If you are unable to bring your dog on Thursdays and there is enough interest, we may be able to open up an additional class on Sundays from 2:30pm to 3:30pm so please let us know.

Private Training will be offered on Thursdays. Sessions must be scheduled in advance and the dog must attend daycare or boarding. These 30 minute sessions will focus on the command of the owners choosing at a cost of \$30 plus daycare/boarding. Owners will be provided with a training update and homework. If the dog is a new client, it must first pass a complimentary trial day prior to being accepted for boarding or daycare.

Dogs must be up-to-date on Bordetella, Rabies, Distemper and Parvo vaccinations at least 10 days prior to coming to the facility and proof must be provided at least 24 hours in advance. For training all dogs must have a collar and leash (no harnesses, head collars or retractable leashes.) Owner must provide training treats or other appropriate motivation as approved by instructor (such as a toy for non food motivated dogs) and may be asked to bring a towel, mat or bed.

Space is limited to register now!
